4 IN 1 AGRICULTURAL BUCKET

4 IN 1 AGRICULTURAL BUCKET

An evolution from the tried and proven design of the Digga 4 in 1 Skid Steer Bucket. Updated to suit the needs of the agricultural industry, while still incorporating many of the features skid steer owners enjoy.

Features:

- Standard Heavy Duty 16mm floors.
- 20mm floors available on request.
- Light weight designed specifically for Agricultural machines.
- Full range available from 1500mm to 2200mm.
- Grabbing teeth profiled on both the front/rear overlap for greater grip of logs and other debris.
- Optional reversible bolt on cutting edges for all 3 edges of the bucket.
- Chisel or Tiger teeth - pin on design.
- Same fitment on tractor as the general purpose bucket.

Ideal Use:

Grading, scraping, grappling, dozing dirt or material spreading most construction work.

Machine Suitability:

Suits all tractors including those with standard euro hitch.
