

MINI VIBRATORY ROLLER

AUSTRALIA'S PREMIER ATTACHMENT MANUFACTURER

Mini Vibratory Roller

The Digga Mini Vibratory Roller is available with a smooth drum providing our customers with a productive and cost effective compaction equipment. Its versatility makes the roller highly effective on a wide range of materials including sand, gravel, soils and asphalt.

Features:

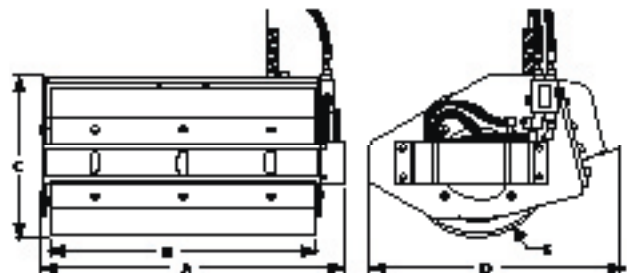

- Protected and Isolate Hydraulic drives to provide maximum performance
- Adjustable steel scraper blade between the frame and drum ensure smooth, uniform compaction
- Delivers up to 1130kg of dynamic force

Ideal Use:

These high production rollers are ideal for Rental Fleets, contractors, landscaping, roadways, walkways, bike paths, golf courses, bridges and parking lots

Machine suitability:

Mini Loaders and small skid steer loaders
