

AUGER EXTENSIONS - X0100HD TO SUIT MACHINES UP TO 30 TONNE (SUPER HEAVY DUTY DRILLING)

DIGGA

Digga's drilling extension range is the ultimate in quality and cost effectiveness. Completely manufactured by Digga using only the highest grade materials and strictest quality control. Our range of extensions are suited for machines up to 30 tonnes and Digga's SD auger drives.

Features

- Easy connect design. No adaptors required.
- Welded hub and shaft reduces excess play in the connections ensuring a straighter hole.
- Australian made quality.
- Engineered to 95,000Nm of torque.
- Only available in outer extension.
