BUCKET BROOM

BUCKET BROOM

Australian Made by Digga for serious operators, this bucket broom is engineered to perform. Premium hydraulic components deliver responsive, reliable operation in both forward and reverse, giving you complete control over debris collection.

Features:

- ***NEW*** Reversable 3 piece bolt on edge extends the life of the cutting edge while reducing replacement costs.
- ***NEW*** Certified tie down and lifting points.
- ***NEW*** Improved brush height adjustment design with 1" handle
- ***NEW*** Removeable guard protects the bearings and shaft.
- The hinged lid design ensures quick, clean emptying without leaving the cab.
- 1 piece poly brush for better performance and easy fast replacement.
- Poly/wire brushes available.
- Solid steel casters ensure the rear of the bucket doesn't wear prematurely.
- Removable side shift frame allows use on multiple machines.
- Easy to use brush height adjustment system requires no tools.
- High Flow motor options available.
- Full Range of sizes available; 1600mm, 1700mm, 1800mm, 2000mm, 2500mm and 3000mm.

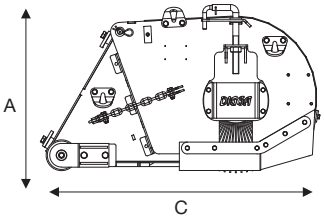

Ideal Use:

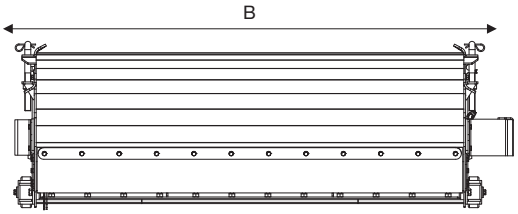

Sweeps and collects all kinds of debris in factory car parks, road construction, stock yards, shipping containers and more.

Machine Suitability:

Skid Steer Loaders, Tractor, Wheel Loaders and Telehandlers.

Mini Loader and Angle Brooms also available.
